The natural rubber exchanges close mixed in week 22. Due to the tense situation around Covid - 19, the prices for physical goods are still significantly stronger than the leading exchanges specify.

The tire manufacturer Pirelli has presented together with BMW a FSC - certified tire! Weber & Schaefer is also FSC certified among others. Please contact us on the subject of sustainability and visit our website <https://www.weber-schaer.com/english/products/natural-rubber-latex/sustainability.html> on this promising topic!

The US Dollar is quite stable against the Euro. Brent oil is slightly stronger at the end of the week.
